Purpose
The purpose of the Comprehensive School Improvement Plan is to chart the course for improved student learning. Through CSIP development, districts and schools will work collaboratively to review data, set goals, determine strategies or actions to accomplish goals, and evaluate the results. This process of continuous improvement focuses efforts on instructional improvement linked to student learning.

Requirements
School districts will develop, implement, and file with the department a comprehensive school improvement plan that includes, but is not limited to, demonstrated school, parental, and community involvement in assessing educational needs, establishing local education standards and student achievement levels. Iowa Code 256.7(21)(a)
