

# Does your child still need a meningitis vaccine?

**New Iowa law in 2017!!!**

**All incoming 7th graders MUST have a meningitis  
vaccine to attend school.**

Johnson County Public Health (JCPH) and the Iowa City Community School District (ICCSA) health staff are working together to help your child get the meningitis and any other needed vaccinations.

**Tuesday, August 15—Thursday, August 17**

Walk-in services at Johnson County Public Health (8am-4pm)

**AND**

Public Health staff available at Junior High School registration to:  
answer questions  
review records  
help arrange immunizations for your 7th grade student

Call ICCSD health office or JCPH with questions.
