

Computer Setup for NWJH Applied Tech

1. Install printer: NWIndTechLaser64 on SRV-PRINT01

Click: Start >> Devices and Printers

Click: Add a Printer

Choose "Add a Network, Wireless or Bluetooth Printer"

Click on "The printer I want is not listed"

Choose "Find a printer in the directory, based on location or feature"

Click Next

A "Find Printers" dialog will open.

In the NAME box type "NW"

Click "Find Now"

Click on NWIndTechLaser 64 to select it, then click "OK".

You may be asked if you want NWIndTechLaser to be the default printer, click YES.

Click Next, then FINISH.
