

Lemme Before & After School Program (BASP)

Before & After School Program at Lemme Elementary

Lemme BASP is a non-profit organization that provides child care for children in the Lemme neighborhood.

We are licensed by the Department of Human Services. DHS makes a visit once a year to ensure we are following the appropriate standards for our program. Written policies and procedures are specified by DHS about ratio of staff vs. children, health and safety standards, nutritional guidelines, etc. These standards also provide the program with the number of children in program based on square footage of space provided. In our case, this is Lemme's gym. With our current license, we may accept **90 kids**.

Our hours of operation will be 7:00 am to 7:55 am and 2:55 pm to 5:45 pm M, T, W, F and 1:55 pm to 5:45 pm on Thursdays during the school year. We do provide all day child care on Conference Days for those families currently enrolled in the program. We are closed over Winter and Spring Break. We also provide a Summer Camp which opens up to Lemme families after current Lemme BASP families have had a chance to enroll; the cost varies per week based on activities planned.

The cost is \$100/month for before school care, \$190/month for after school care, and \$215 for before & after school care. Tuition is paid at the beginning of each month by automatic debit or by check. A 30 day notice is required for withdrawing from the program. Lemme BASP accepts Child Care Assistance.

Currently, our program has a wait list. We accept wait list applications throughout the year. Each year, starting after Kindergarten Registration (this year Kindergarten Registration is March 1st, 2019), we will ask families to re-apply for our wait list. You will then be placed into a lottery. Please refer to our Parent Handbook for our wait list policies.

To register your child on the wait list, please complete the attached application, one per child. Your child's name will be added to the list and will be put into a lottery on April 3rd. When we have an opening in BASP, we will reach out to our wait list. If you decline, your name will be removed from our list. You may reapply the following year when Kindergarten registration opens. If your name does not get in, you will need to reapply the following year.
