

# *Academic Beliefs*

*Staff • Students • Parents*

*We are committed to...*

- ... providing a safe and supportive school environment for teaching and learning.
- ... engaging students in meaningful school lessons each day.
- ... maintaining high expectations for all students.
- ... expecting students to put forth their best effort in all activities.
- ... communicating with one another whenever student performance is not acceptable.
- ... working in collaboration and with mutual respect at all times.
