Back-to-School Night
(Team 3- 5:30-6:30 pm)

Dear Family,

It was so great to have our new fourth graders check out their classroom at the Ice Cream Social on Tuesday! We know we are going to have a great year!

Please always feel free to email us at the addresses listed above or send a note with your child. Also, please take time to visit our classroom websites. We will be updating them periodically throughout the school year.

Communication is key to us having an amazing and successful 2018-2019 school year!

The first days of school will be busy! We will be discussing and practicing routines in the classroom and around the school. Starting tomorrow, we will begin our PBIS training. Please see below for more information.

PBIS: Positive Behavioral Interventions and Supports

Your child might come home today and share about the pink tickets he or she earned at school! These tickets are part of our school-wide behavior program, PBIS. This week we will review behavioral expectations on how we should act in the hallways, restrooms, lunchroom, on the bus, on the playground, as well as during assemblies. Each day, we will draw from the tickets earned and the child whose name is drawn will receive a reward or privilege in recognition of his or her positive choices at school!

Back-to-School Night

The kindergarten through fourth grade classes will be hosting a back-to-school night on XXX from XXX. Families are invited to come explore their child's classroom, view some of their child's work, talk with their child's teacher, and learn about the curriculum we will teach throughout the year. We hope to see all of you there!
