

Birthdays in Room 216

We are going to celebrate first grade birthdays a little differently this year. Instead of bringing a sweet snack to share, we will be celebrating in a non-food way. Your child will choose one of the following ways to celebrate his/her birthday.

- ♥ **Book Donation:** The birthday boy or girl can donate a new or gently used book to the classroom library. A family member can come to read it to the class, if possible.
- ♥ **Extra Recess:** The birthday boy or girl can get an extra recess for the class on his/her birthday.
- ♥ **Class Game:** The birthday boy or girl can choose a game to play with the entire class (ie. Heads Up 7up, Kickball, Around the World).

Optional: You may send in a non-food treat for your child's classmates. Ideas for a non-food treat: pencils, notepads, stickers, erasers....
