

Hardening Approaches Sub-committee

December 17, 2018 3:00 pm

Room 105 Educational Services Center

3:00-3:05 Summary of 11/26 topics covered and recommendations

3:05-3:20 Risk Assessment Overview:

- Risk Assessment vs. Threat Assessment
 - Potential benefits of systemic risk assessment
 - Other considerations (resources needed, associated costs)
 - Who provides this service (district staff vs. contracted out)
 - Goal of Risk Assessment

3:20-3:45 Threat Assessment Overview:

- Review of information shared electronically
 - Advantages and concerns regarding a district threat assessment model
 - Considerations of implementation (district/ building level, team makeup, associated costs)
 - Collaboration with juvenile court? Wraparound supports for identified students
 - How this model might fit into current building systems (SST, Child Find) and where additional resources would be needed

3:45-4:00 Recommendations and Next Steps:

- Come to a decision regarding the team's recommendations in the areas of Risk and Threat Assessment
