

**CENTRAL CARES, INC.**  
**Before and After School Program**

Central Cares, Inc. is a before and after school care program located in Coralville Central Elementary School. The program is open to children enrolled in kindergarten through sixth grade and provides a variety of supervised activities in a safe and friendly environment. Creativity and development of social interaction skills are emphasized through leisure activities and play. Afternoon snacks are provided for each child. Breakfast is available in the morning if needed by a child.

Central Cares, Inc. is a non-profit corporation organized and administered by concerned working parents at Coralville Central Elementary. The program is supported through an interagency agreement with the school district, but receives no financial support or administration from them. Central Cares, Inc. is licensed by the Department of Human Services and abides by its regulations and guidelines. Hours of operation are 7:00-7:40 a.m. and 2:55 (1:55 Thurs.)-5:30 p.m. Kindergarten students can be placed on the waiting list when arriving for kindergarten registration for attendance at Coralville Central. After kindergarten round up there will be a lottery to enroll kids into the available positions. Please see the district website for dates and deadlines as to the waiting list/enrollment policy we have enacted district wide. The waiting list is deleted annually so signing up again is needed to maintain a spot on the list.

Enrollment is limited to 90 children presently (given staff hiring is achieved), with priority given to returning enrollees and their siblings. Any names on the waiting list are then enrolled through the lottery system.

If you are interested in enrolling your child in Central Cares, Inc., complete the following form and return it to the school.
