How to Enroll:

Enrolling in Champions is easy with our Online Management system. Please log on to www.DiscoverChampions.com to enroll. If you require further assistance, please contact our **Family Support Team at (800) 246-2154**.

Please Note: There is a 48 hour (2 day) processing period from the time a parent completes the enrollment process online before their child can begin attending Champions. This brief window of time allows our management team to receive the enrollment, review for accuracy and create the child's file with the required documentation *prior* to the child's first day of attendance.
