3:45-4:00			3:45-4:00			3:45-4:00			3:45-4:00		

Art	<p>Hello Artists and Families!</p> <p>Please prepare: Marking tools: pencils, pens, and/or markers (no paints, yet!)</p> <p>Paper: standard is fine but also: construction paper, graphing paper, card stock, envelopes, post-its, etc. are all welcome!</p> <p>Workspace: please make sure the artist's work area is (to the best of your abilities) free of distractions, complications, minimal risks, and easy to clean-up.</p> <p>Permission/supervision: please remain aware of what your child is using/doing. I prefer to start simple and build trust with wet, complex, process-intensive media during the weeks to come. Even pencils can make a huge mess; since I can't help with clean-up, please communicate your expectations. I'm happy to support as best I can through a screen with many, active children!</p>
P.E.	Clear out some space, wear comfortable clothing and tennis shoes and let's get moving as our P.E. teacher Susan Toth will lead you in some fun activities!
Library	Listen and learn as our Teacher Librarian Linda Johnson reads books with interesting characters and diverse settings!
Social Studies	Explore other cultures and how people behave in society. Get to know the daily life, history and even geography of our world
STEAM	STEAM is Science, Technology, Engineering, Arts and Math. Let's investigate and have fun!
Current Events	We live in interesting times! Follow the latest events locally, statewide, nationally or in the world. We will discuss the news three weeks each month.
Authors and Books Club	We will choose novels from the Iowa Teen Award to study, discuss and do related activities. Enjoy time to think and share ideas! The club will meet once a month.
Drama	Get in touch with your inner actor! Through, music, pretend and play we explore theatre and drama. Together we open a new world of imagination!
Online Learning and Diploma Progress	Let's meet to work on Online Learning classes and follow your diploma transcript progress. Required attendance for earning the ICHSAP Diploma but all 9-12 students are invited to attend!
