It is important that the responses be clear, concise and complete so that the evaluators can adequately understand all aspects of the proposal in a succinct fashion. The evaluation process is not designed to simply award the contract to the lowest cost vendor. Rather, it is intended to help the District select the right vendor with the best combination of professional attributes, experience, and relevant skill-sets, including that of price, based on the evaluation factors. The District reserves the right to require that a subset of finalists make a presentation to the evaluation team for consideration.

This RFP provides general and technical information as well as the required format for responses. Your submitted responses will be the primary source of information used for the system evaluation and selection. Please include all required and appropriate information with your proposal. If the selected vendor fails to sign and return the contract within ten (10) business days of delivery of the final contract, the District may elect to cancel the award and award the contract to the next-highest-ranked vendor.
