**Immigration Task Force**  
Iowa City Community School District  
Meeting Minutes  
May 17th, 2017  
5:30-7:00 pm

I. Introductions  
II. Old Business  
   a. Creation of a district rapid response protocol to provide services to students when their family members have been detained, deported, or removed. In the event of a Raid or Deportation: Crisis Incident Stress Management (CISM)  
      More information  
       i. Is this action minded?  
       ii. How does it work?: Counselors/SFAs come together at affected school(s) to help students process traumatic events  
       iii. If the CISM is what we use, there needs to be an understanding that no one will ask the students for any information regarding their immigrant status  
       iv. Could there be others that fill in the gaps with CISM?: Public pro-bono organizations and/or community members  
       v. There was group consensus on an action-minded CISM that is wide reaching and allows for a support network outside of school  

**Meeting ended abruptly due to tornado warning**
