Article V SENIORITY

Definition

Seniority means a regular employee’s length of service from his/her first date of employment, as opposed to when he/she successfully completes his/her probationary period. Seniority for regular part-time employees shall be prorated. Employees working over three (3) hours per day will be credited with one day of seniority. Employees working three (3) or less hours will be credited with ½ day of seniority.

Probation

A new employee shall serve a probationary period of (60) sixty school days. Upon completion of the probationary period, he/she shall be put on seniority list and his/her seniority shall be determined from his/her first day of employment, as opposed to when he/she successfully completes his/her probationary period.

Probationary employees will not have any leave benefits other than prorated sick leave at the rate of one (1) day per twenty days of work for a total of three (3) days during the probationary period. Once the probationary employee is recommended for hire, any used sick leave during the probationary period will be subtracted from their allocation. No medical benefits will be granted to probationary employees.

Posting

During the first full week of December, the employer shall post on appropriate bulletin boards a seniority list showing job classifications and the continuous service of each employee. A hard copy of the seniority list shall be sent to the Union when it is posted.
Protest of, errors in or omissions from such list must be made to the employer within ten (10) days from the date of the furnishing of such lists and revisions thereof.

If no protests are made within the ten (10) day period, the list will be considered accurate and no further appeal or grievance will be permitted.

Breaks in Service

An employee’s seniority record shall be broken by voluntary resignation, discharge, or retirement. Should an employee laid off return to work within one year, the seniority will pick up from the date of his/her return. Seniority rights will be forfeited if the continuous period of layoff exceeds one year.

Article VI  EMPLOYEE HOURS

Fulltime Employee

Employees are considered fulltime if their regularly scheduled work hours total to thirty (30) or more hours per week.

Length of Assignment

Nutrition services employees work on all days school is in session for students and meals are served. The director of nutrition services or designee will schedule additional days of work for in-service training, meetings, and/or cleaning.

All employees are required to attend the August Back to School Workshop and scheduled in-services in the fall and spring. Employees will be notified in writing of additional work days at least 30 days in advance.

The number of hours allotted each nutrition services location will be established by the director of nutrition services. Total hours of employment per day will be stated on each employee’s letter of assignment.

Work assignments will be posted in each production kitchen.

Inclement Weather

On days when schools are closed due to inclement weather, employees are not to report to work. If a make-up of the day lost to
inclement weather is scheduled, that day will become a required work day. School days that are not made up will follow this process:

- For the first through third inclement weather days, the employee shall receive his or her regular daily rate of pay.
- For the fourth day of inclement weather, the employee will need to enter appropriate leave or take leave without pay.
- For the fifth day of inclement weather, the employee will be paid his or her regular daily rate of pay.
- For the sixth day of inclement weather, the employee will need to enter appropriate leave or take leave without pay.
- For the seventh day of inclement weather, the employee will be paid his or her regular daily rate of pay.
- For the eighth day of inclement weather, the employee will need to enter appropriate leave or take leave without pay.
- For the ninth day and beyond any inclement weather days beyond nine, the employee will be paid his or her regular daily rate of pay.

On days when schools are closed early due to inclement weather, employees are to remain at work for the entire work day. Employees must use appropriate leave in no-less than quarter hour increments if deciding to leave prior to the end of the scheduled assigned hours.

On days when school begins late due to inclement weather, the work day shall start at the regular time and employees should report to work as close to their regular start times as safety allows. Employees must use appropriate leave in no less than quarter hour increments if arriving later than the beginning of the assigned work hours. An employee will be paid the regular contracted hourly rate for any hours worked on a day that begins with a delay for students due to inclement weather and is subsequently canceled entirely. On the first, second, third, fifth, ninth (and beyond) inclement weather days, the employee will also receive the employee’s daily rate of pay in addition to pay for hours worked.

If the Superintendent or his/her designee specifically states that staff may arrive late or leave early on inclement weather days, employee will not lose wages for this time.

If school is delayed due to inclement weather, there is no breakfast program. Elementary breakfast staff will either report to
their production kitchens or take one of the applicable leave options available.

Employees scheduled to work five (5) or more hours per day may have an unpaid thirty (30) minute break. The lunch break cannot be scheduled at the beginning or end of the workday, unless it has been pre-approved by the director of nutrition services and/or designee. One fifteen (15) minute paid break is also provided. Both breaks are scheduled by the director of nutrition services or designee. Employees working less than five (5) hours per day are entitled to one unpaid fifteen (15) minute break.

Employees shall be paid twice per month, the 15th, and the last business day of the month. When the 15th or last day of the month falls on a weekend or during a Board recognized holiday, employees shall receive their paychecks on the last preceding work day. Time worked the 1st - 15th of each month is paid on the last day of the month. Time worked the 16th
- 31st of the month is paid on the 15th of the following month (See pay date schedule in Appendix A). Overtime shall be paid following this same pattern. Employees shall receive their checks through direct deposit. Pay is based on time entered in the time clock system.

Substitute Pay
Beginning the first day of substituting for another employee, the employee replacing another employee in a higher classification will receive the wage for the higher classification on an hourly basis. In the event where an employee is substituting for a kitchen manager, approved by the director of nutrition services, the employee will be paid $2.25 per hour above their current hourly wage. Material mutually defined by management and an employee as obsolete shall be removed from the personnel folder and destroyed.

Article VIII  GRIEVANCE PROCEDURES
A grievance shall be defined as a complaint of an alleged violation, misinterpretation or misapplication of any of the specific provisions of this Agreement.

Every employee covered by this Agreement shall have the right to present grievances in accordance with these procedures.

The failure of an employee to act on any grievance within the prescribed time limits will act as a bar to any further appeal, and an administrator’s failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement in writing.

It is agreed that any investigation or other handling or processing of any grievance by the grieving employee shall be conducted so as to result in no interference with or interruption whatsoever of the work activities of the
grieving employee unless mutually agreed that it is necessary to process during the workday. If it is necessary to process during the workday it shall be at no loss of pay to the employee filing the grievance. The grievant may have representation at each step of the grievance procedure. The grievant is entitled to be present at all steps of the grievance procedure.

1st Step

Within ten (10) school days from the date of the event giving rise to the grievance or within ten (10) school days of knowledge of the grievance, an attempt shall be made to resolve the grievance in informal discussion between the grievant and his/her immediate supervisor.

2nd Step

If the grievance cannot be resolved informally, the aggrieved employee may file the grievance in writing and, at a mutually agreeable time, discuss the matter with the director of nutrition services or designee. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses that pertain to the specific grievance, and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within ten (10) workdays from the date of first step meeting date.

The director of nutrition services or designee shall meet with the employee and union representative within five (5) workdays after the grievance has been filed. The grievance response will be communicated in writing to the employee, union representative and the superintendent or designee within ten (10) workdays after the grievance meeting.

3rd Step

In the event a grievance has not been satisfactorily resolved at the 2nd step, the aggrieved employee may file, within ten (10) workdays of the director of nutrition services’ written decision at the 2nd step, a copy of the grievance with the superintendent or designee. Within five (5) workdays after such written grievance is filed, the aggrieved employee and union representative and the superintendent or his/her designee shall meet to resolve the grievance. The superintendent or his/her designee shall respond within ten (10) workdays of the 3rd step grievance meeting and communicate the decision in writing to the employee, union representative and director of nutrition services or designee.
4th Step

If the grievance is not resolved satisfactorily at step 3, there shall be available a 4th and final step. Within ten (10) workdays, the Union and the employee may submit the grievance in writing to binding arbitration. An employee may submit a grievance to arbitration only with approval of the Union. Within ten (10) workdays of written notice to submit the grievance to arbitration, the superintendent or superintendent designee and the Union representative shall meet and attempt to agree on a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain a commitment from the arbitrator, a request for a list of five (5) arbitrators will be made to the Public Employee Relations Board (PERB). Each of the two parties will alternately strike one name at a time from the list until only one name shall remain. The remaining name shall be the arbitrator. The arbitrator so selected shall confer with the Board or the superintendent and the Union to set the time and date in order to hold hearings promptly. Selection of the hearing site shall occur no later than three (3) days prior to the hearing.

The arbitrator shall issue his/her decision not later than fifteen (15) workdays from the date of the close of the hearings, or, if oral hearings have been waived, then from the date of the final statements and proofs on the issues are submitted to him/her. The arbitrator’s decision shall be in writing and shall set forth his/her findings of fact, reasoning, and conclusions on the issues submitted.

The decision of the arbitrator shall be final and binding on both parties. The arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore, or add to the provisions of the Agreement. His/her authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing, by the Board and the employee, and his/her decision must be based solely and only upon his/her interpretation of meaning or application of the expressed relevant language of the Agreement. Expenses for the arbitrator’s services shall be borne equally by the Board and the Union.

Group Grievance

If a group of employees has the same complaint, they may submit their complaint to the grievance procedure beginning at the first step, and the grievance may be processed through all levels of the grievance procedure. In a group grievance, all employees involved in the grievance may be present at all steps of the grievance process, and the group shall identify a spokesperson who will speak for the group through all levels of the grievance procedure.
Board Policy Grievances

Grievances regarding issues of an employee’s complaint of an alleged violation outside of the provisions of this agreement shall be processed under the grievance procedures in the Board Policy 402.10.

Article IX ABSENCES

Reporting Absences

All absences must be reported to the production kitchen and Nutrition Services office by 6:00 am. The Nutrition Services office number is 688-1021 and a message can be left on voice mail. When leaving a message on voice mail an employee must clearly state his/her name, school and reason for absence. Employees will create an absence on Frontline Absence Management by 11:00 pm the night of the absence. The expectation is that these timelines will be strictly followed. If extenuating circumstances prevent meeting those timelines, these situations will be handled on a case-by-case basis.

Unexcused or Non-Reported Absences

If employees are absent from work two (2) consecutive days without reporting the absence to their supervisor and the director of nutrition services, they shall be considered to have voluntarily resigned. Any unreported absence, excessive tardiness, or leaving work early will be considered grounds for disciplinary action that may include suspension and/or dismissal.

The Board of Directors requires such reasonable evidence as it may desire confirming the necessity for the leave of absence. In cases involving worker’s compensation, no individual shall receive more in payment during a period of disability than his/her current salary.

A day of sick leave shall be that of the employee’s normal work day. Employees hired after January 1st of a school year will be given 5 days sick leave.
