

**Healthy Kids School Clinics** is an extension of traditional health services offered in the Iowa City Community School District. The clinic serves **Johnson County residents ages 0-21** (through high school graduation), who are **without access to affordable healthcare** such as no insurance or a high deductible. Our goal is to keep students healthy so that they are successful in school. **Please call Clinic Coordinators to confirm schedule/locations on our cell phone: (319)631-3204. We operate by appointment only.**

To receive healthcare at the school-based health clinic, **students under the age of 18 must bring a consent form signed by a parent/guardian to their appointment.** Parents/guardians should attend physical exams when possible. If parents/guardians cannot be present, they must be available by phone during the appointment. Services are free but donations are accepted!
