Dear Leopards,

Thank you so much to all of our families who helped make our first (in a long time) multicultural day/night such a success. It was so much fun to learn about the different cultures that we have here at Lemme! We really appreciate all of the time and effort that was put in by our volunteers and presenters to make this event so special! We look forward to continuing this fabulous tradition!

Please join us next Thursday at Taco Thursday (February 2) from 5:30-7:00. We look forward to seeing you all on Thursday for some tacos from Pancheros. All proceeds benefit our PTA.

**Lemme Read comes to Science Night/Taco Night – February 2, 2016 from 5:30-7:00 pm. Please note that** At Science Night we will get to learn about astronomy in the Planetarium. Families will be studying chemistry with molecules models, and doing DNA extracting. There will be examination of some living microbes as well. Each activity will relate to our Lemme Reads books. Each book explores the different perspectives of what it is like to be little in a big world. During each activity take the time to reflect how “we” fit into the universe? The second grade class has been reading “The Littles” and will have a display of a Shrinky Dink artwork project that they have been working on in class.

Kindergarten Registration is Wednesday, March 1 (8:00-3:30) and Thursday, March 2 (2:10-7:10). Registration is for all students who will be attending kindergarten at Lemme next school year. Your child needs to be 5 or before September 15. Please bring proof of child’s birthdate (birth certificate works), copy of updated immunizations, and proof of address (some type of bill with your name and address will work) when you register your child. You do NOT need to bring your child with you! We look forward to seeing new kindergarten families soon!

We hope you have a wonderful weekend!

There are some upcoming activities and dates we would like you to add to your calendars:
