

# BASIC THEORY #1 - Foundation

Staff – the five lines and four spaces that you write music on

Treble Clef – tells us music is for higher voices... above middle C

Higher Sounds – are notes written in the top part of the staff

Middle Sounds – are notes written in the middle of the staff

Lower Sounds – are notes written in the low part of the staff

Note Names On The Staff:

When you put the line and space notes together, this is what you get:
