Classroom Snacks and Celebrations
Foods that meet the
Iowa City Community School District requirements
Smart Snacks and Healthy Foods Guidelines

- *Snacks **must not** contain peanuts or peanut butter, or made in a factory where cross-contamination may occur*
- *Fresh fruits and vegetables are preferred choices*
 - *Please wash and cut fruits and vegetables for easy serving*
- *No home-made foods*
- *Foods other than fresh fruits and vegetables must be packaged with ingredients listed*
 - *Preference for whole grain or whole grain products*
 - *Calories less than 200cal/serving*
 - *Zero trans fat*
 - *Calories from saturated fat less than 10%*
 - *Low sugar, low sodium, high fiber*

Some elementary schools are celebrating birthdays without food. Please check with your child's school to find out their practice.

Allergies: All foods for classroom snacks and celebrations must be peanut and tree-nut free to provide a safe environment for students with those allergies. To make sure your snack is allergy-friendly you can use these tips

- Look through ingredient list and look for peanuts and/or tree nuts
- Most companies now offer a bold allergy warning list like the one below
- Some companies have disclaimer statements saying while the product does not directly contain peanuts it is made in a facility that has peanuts

wheat (graham) flour, partially hydrogenated soybean and/or cottonseed oil, baking soda, salt, whey, honey, soy lecithin.

CONTAINS WHEAT, MILK AND SOY INGREDIENTS. MAY CONTAIN TRACES OF PEANUTS.

CAUTION: This product is manufactured and packaged in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish and crustacean shellfish.
