Allergies: All foods for classroom snacks and celebrations must be peanut and tree-nut free to provide a safe environment for students with those allergies. To make sure your snack is allergy-friendly you can use these tips

- Look through ingredient list and look for peanuts and/or tree nuts
- Most companies now offer a bold allergy warning list like the one below
- Some companies have disclaimer statements saying while the product does not directly contain peanuts it is made in a facility that has peanuts

wheat (graham) flour, partially hydrogenated soybean and/or cottonseed oil, baking soda, salt, whey, honey, soy lecithin.

**CONTAINS WHEAT, MILK AND SOY
INGREDIENTS. MAY CONTAIN
TRACES OF PEANUTS.**

CAUTION: This product is manufactured and packaged in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish and crustacean shellfish.
