

The Live/Attend matrices below and on the next page show aggregate counts of where students live in respect to attendance area versus where students attend school. Numbers in each row represent the school attendance boundary in which students live respective to the row heading. Numbers in each column represent the school in which students attend (enrolled) respective to the column heading. At the end of each row or column are counts showing totals for:

- **Live In:** number of students living within the attendance boundary of the same grade configuration
- **Transfer Out:** number of students that live within the attendance boundary but attend another school in the district
- **Attend:** number of students enrolled at the school
- **Live & Attend:** number of students that live within the attendance boundary and also attend the school
- **Transfer In:** number of students living in another attendance boundary but attend the school
