

# Comparison of Recommendations

## Key Differences

### High Schools

Both scenarios identical except for TREC. Recommendation A utilizes TREC as a swing school, Recommendation B renovates the building for its current use.

### Junior High Schools

Both recommendations identical.

### Elementary Schools

Recommendations are identical with following exceptions:

Recommendation A rebuilds Hills Elementary School and renovates Lincoln Elementary School. Recommendation B retires both Hills and Lincoln Elementary Schools and builds additions to existing elementary schools to meet enrollment growth.
