Project Name:	ICCSD South East SMART Boards & HVAC		
Owner Project #:	N/A		
S-H Project #:	113601-0 & 113603-0		
Completed By:	D. McKenzie	Date:	6/6/2013

Description of Abatement Work: Remove and dispose of chalkboards glued to wall with asbestos-containing mastic in 2 rooms. Abatement will be non-friable removal (no airborne fibers) using heat and wet methods, so a full containment is not required.

Also remove and dispose of 16 asbestos-containing thermal system insulation elbows in 2 mechanical rooms in preparation for Monson Gym HVAC upgrade. This will be a non-friable removal using “glove bag” methods, so full containments will not be required.
